THE REVIEW OF ECONOMIC STUDIES

The Review was started in 1933 by a group of young British and American Economists. It is published by The Review of Economic Studies Ltd., whose object is to encourage research in theoretical and applied economics, especially by young economists, and to publish the results in the Review of Economic Studies.

The Review also administers a travel fund to enable young economists or econometricians travelling either to or from the U.K. to present papers at conferences and workshops. Applications should be made to the Business Manager, Prof. Ian Tonks, Department of Economics, University of Bristol, Bristol, BS8 1TH.
